

South Carolina Department of Health and Environmental Control
Office of Ocean and Coastal Resource Management
927 Shine Avenue
Myrtle Beach, South Carolina 29577

July 23, 2013
Permit Application Public Notice
Delores M. Parsons, OCRM-13-175-S

The Department has received an application for a permit for the alteration of a critical area. The application was submitted pursuant to the Coastal Zone Management Act (Act 123) of 1977 South Carolina General Assembly. The application in brief, is described as follows:

LOCATION: On and adjacent to Mount Gilead Channel at 288 Rum Gully Road, Murrells Inlet, Horry County, South Carolina.
TMS: 197-17-08-031.

WORK: The work as proposed consists of replacing an existing structure and making additions. Specifically, the applicant seeks to remove the existing ramp and 10' x 20' floating dock, with 5' platform, and replace with a new structure in the same footprint. Also, the applicant seeks to add a 20.5' x 12.6' covered fixed pierhead adjacent to the floating dock and ramp. Access to the pierhead will be from the bulkhead. The work as proposed is for private, recreational use.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by the Department can be based. Comments concerning the proposed work must be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

Comments regarding this application must be received by the Department on or before **August 7, 2013**. For more information, please contact **Chris Stout** at **843-238-4528** or via email at **stoutcm@dhec.sc.gov**.

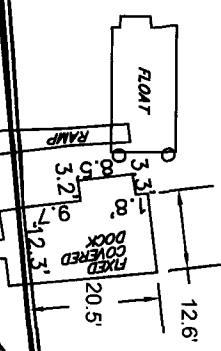

NOTE: Plans depicting the proposed work are available and will be provided upon receipt of a written request or may be viewed on the Department website at **www.scdhec.gov/environment/ocrm/public_notice.htm**.
